OCPL Digital Newspaper Archives: The Intelligencer and the Wheeling News-Register

The Ohio County Public Library is now digitizing the microfilmed versions of our **Wheeling News-Register** and **The Intelligencer** newspapers.

We currently have *Intelligencer* newspapers from 1852-1970 and 1981-1982. Both the *News-Register* and the *Intelligencer* are available from 2014 to the present with additional selected newspapers from 2010-2013. More dates will be added to our collection as we continue to process our microfilm.

Digital newspapers from Wheeling preceding 1901 are available through the Library of Congress's *Chronicling America* website (see below).
